Reports (4/1/02-4/30/02), dated 5/31/02 and 7/17/02

Dear Mr. Jordan:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-A review of the reports filed by your committee (pertinent portion(s) attached) indicates that your committee received one or more transfers from the Washington State Democratic Central Committee which has not been disclosed on their report(s) of receipts and disbursements. Please provide clarifying information regarding the source of the transfer(s) received by your committee.

-Schedule A supporting Line 17 of your report discloses a payment from AB-Data (pertinent portion(s) attached). It appears this receipt was for goods and/or services provided by your committee. Pursuant to Advisory Opinion 1979-18, the sale/purchase price paid to a political committee could involve the receipt of a contribution from a purchaser if the purchase price exceeds the "usual and normal charge". The term "usual and normal charge" for goods is defined as the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution. Examples of goods and services include equipment, supplies, personnel, advertising services, membership lists, and mailing lists. 11 CFR §100.7(a)(1)(iii)
